Mr. E. H. Jeffords, Gen. Mgr.
General Asbestos & Rubber Division
North Charleston, S. C.

My dear "Jeff":

Enclosed find report from Dr.
Gardner of Syracuse Laboratory, regarding
the effects of asbestos dust on various
types of animals.

After this has served your pur-
pose, will you please return to me, as I
should like to take the matter up further.

Very truly yours,

SS:G
