SUBJECT: Vinyl Chloride Plant Guide Published by Chemical Industries Association Limited (CIA)

Gentlemen:

We have received recently an announcement from the CIA concerning publication of a new edition of their vinyl chloride plant guide entitled "The Determination of Vinyl Chloride, A Plant Manual".

A copy of the News Release on this document is enclosed. Please observe that the News Release also contains instructions (see last paragraph) for ordering the manual.

In an effort to assist you in your evaluation of the potential value of this document to your operations, we have enclosed copies of the tables of contents of the more important chapters.

Sincerely,

J. T. Seawell
