Gareth, touching base quickly with a couple questions:

**1)** I assume that Hurricane Florence may create challenges for keeping our meeting on the books this Friday at 11am. Do you know when you'll have a sense of the government being open Friday? And do you want to look at fall-back dates to reschedule now, or should we wait to see how the forecast develops?

**2)** There is significant interest among the AWEA member company representatives in joining the meeting with the Deputy Secretary. Can you tell me if the room and other logistics will accommodate the following, updated list of attendees?

**From AWEA:**

- Colin Hayes
- Tom Kiernan
- Michael Speerschneider
- Nancy Sopko

**From Member Companies:**

- Avangrid - Alan Lu
- Apex - David Phillips
- EDF - Doug Copeland
- Orsted - Ian Renshaw
- Pattern - Natalie McCue
- Shell - John Hartnett
- Siemens - Abigail Campbell
- US Wind - Francesco Onorio

Thank you.

Should we plan on 30, 45, or 60 minutes?
