Samantha- per my email, BMW's 's Global Chairman and CEO, Harald Krüger, will be in the US and meeting with the Vice President on March 14. He would like to meet with the Administrator between 12-6 pm on the 14th. Happy to work with a scheduler if that's easier on you!

Also wanted to check on the other issue at your convenience. My cell is 601 946 4529
