Thank you for your email message.

Promoting and protecting a strong and healthy environment is among the lifeblood priorities for the government. The U.S. Environmental Protection Agency is vital to that mission. I am proud to lead this agency, and I seek to listen and learn as we address the issues we face as a nation.

I believe we can grow our economy and harvest the resources we are blessed with while also being good stewards of the air, land and water by which we have been favored.

Together with the dedicated public servants at the EPA and our state partners across this great country, we can and will achieve clean air and water and strong economic growth and job creation. I hope you will visit www.epa.gov to learn more about our work and to follow our progress.

My staff will follow up in response to your email as necessary and appropriate.

Respectfully yours,

E. Scott Pruitt

EPA Administrator
