Dear Mr. Brown:

Thank you very much for your copy of
"Experimental Studies of Asbestosis", and I
congratulate you on finally bringing this to
a successful conclusion. I know how difficult
it is to produce material of this type.

I am turning this over to our Health De-
partment to have them study it and I will write
you at a later date concerning their thoughts in
the matter.

Very truly yours,

T. M. Russell, Jr.,
Vice President

TRR, Jr/MD
