Subject: Concordia Briefing Call: Environmental Policy in the US

Hello everyone,

Connecting here Dana Perino and her team along with the team at the EPA in regards to our upcoming session at Concordia next Tuesday.

Given that we are so close to the event, I'd like to suggest we schedule a call for tomorrow, September 13, to go through logistics for the session as well as talking points and show flow. I'd like to propose 12 noon EST if that might work for at least a representative from each team to join.

Once we have confirmed the talking points for the session I can send around a full briefing packet to both teams.

Many thanks,

Kevin
