TIMES - HERALD BUREAU.
FAIRFIELD. Frank Beebe, who has been operating a White truck on state highway road building near Truckee for the past six weeks, arrived here Thursday for a brief visit. His stay here depends on weather conditions in eastern Placer county where the improvements are being made. Snow and rain have caused a temporary shutdown of work at the summit and has tied up all work temporarily. The work will again be resumed as soon as the weather clears up.

4 trucks will collect papers, magazines, etc. Phones 361W, 971, 1476J.
