Subject: 1993 Annual VCM Survey

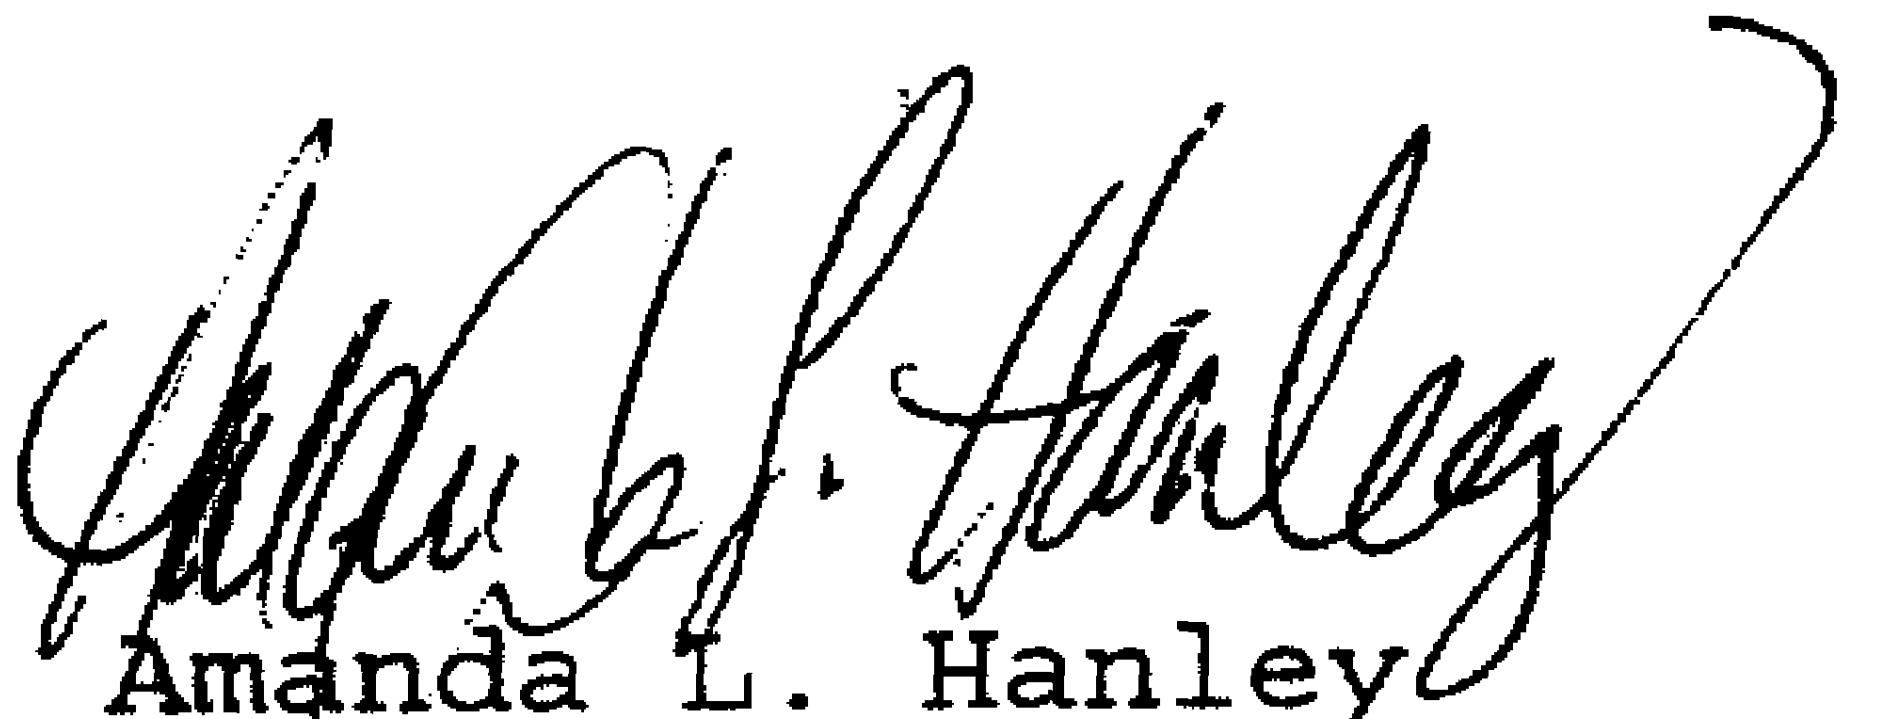

VISTA

Interoffice
Communication

The 1993 Annual VCM Survey has been completed. This survey is used by maintenance to locate and repair the listed VCM leaks and to determine fugitive VCM emissions.

Attached is the list of two VCM leaks found in the 1993 survey. Work orders have been written to repair both leaks.

If there are any questions regarding the survey, please contact me at extension 3561.
