

MEMORANDUM:

Program Committee Meeting AIHA-Oct.3, 1944
10:00 A.M.-Chicago

A meeting of the Program Committee was held in Chicago on October 3, 1944 and was attended by Dr. Kehoe, Chairman, Mr. Brandt, Mr. Barnes and the writer. Dr. Kronenberg was absent from the city and could not attend.

In asking for papers for the meeting, it was suggested that the office should give a statement of the contents of the paper, how it is to be presented, time required and how much it could be reduced with a deadline of January 10th for statements concerning available papers. It was decided to outline the various groups from which papers could be obtained and to assign these to the members of the Committee as follows:

The following initials are used to represent committee members:
Kehoe - K, Brandt - B, Kronenberg - MK, Cook - C.

It was decided to recommend to the Board of Directors that Mr. Yant be requested to give the Cummings Memorial lecture and that the subject to be suggested to him might be "Utilization of Standards", this would be taken up by Dr. Kehoe.

KE 03259

The general plan of our meeting would be something along the following lines:

Wednesday morning - Technical papers, methods, apparatus, etc.

4:30 P.M. Local Section Council Meeting

Wednesday evening - Board of Directors Meeting

Wednesday afternoon - A combined session with the Medical group which includes toxicological work, etc.

Thursday morning - Papers on Industrial Hygiene Surveys, etc.

11:00 A.M. - Business meeting

Thursday afternoon - Papers of interest to Industrial Hygienists and to include the subject dermatitis. Dr. Kehoe is to write Dr. Holmblad on the proposition of having the physicians hold their dermatology clinics in the morning with papers on the subject in the afternoon.
