October 3, 1934

Memorandum: Mr. A. E. Mittnacht.

In accordance with your request of October 2,  
we are forwarding three cardboard rules and regulations  
charts to Dr. Kehoe at Cincinnati.

With reference to the inclusion of these rules  
in eductor sets, we will discontinue forwarding same along  
with the sets that are consigned to England and the Continent.  
I take it that we should continue, however, to forward same  
to South American, Australian, and New Zealand as well as  
Canadian and domestic points to which we may ship eductors,  
in the future.
