B. Haigh called 9/20/82

Said Jerry Montgomery, Purchasing Agent

called 3M (1800328 1300) to talk to Ron King
just talked to Bob ?
of the Occup H & Safety Technical
Service Dept.

Bob said you have to quantitatively
fit the 8710 Q respirator (Test)
can't do it any other way.

9/21/82 I called Ron King - on vacation -
talked to Barb Kolpin -
mentioned the literature 3/1/81
RNSPL (11.5) R2 saying can plug it
& use irritant smoke. She
looked it up & said yes you can
as long as your not using the
respirator to protect against
lead. Said we are using it for
asbestos - she [illegible]
smoke for [illegible]
