MR. WILLIAMS: Right.

THE COURT: Your request number 13, no one is going to even suggest that, so why is it relevant in this case?

It has never been suggested in any case that I have handled in the past.

MR. WILLIAMS: Your Honor, we will withdraw that one.

THE COURT: All right, 13 is withdrawn.

Your request number 18, isn't that previously covered?

MR. WILLIAMS: Yes, Your Honor. I think it is just an alternative way to say what was said in 17.

THE COURT: That is what I thought, but I wanted to just check with you to make sure.

Number 27, risk utility test.

MR. WILLIAMS: Yes, Your Honor. We will submit on the papers.

THE COURT: The Court would decline to give 27.
