M. W. Winkel - G5NA

A public meeting on the former Krummrich landfill is scheduled for 7:00 P.M. this evening at the Sauget Village Hall.

The purpose of the meeting is to explain the work we will do at the landfill, a timetable of events, and to hear the questions and concerns of the public.

The meeting will consist of remarks from Bill Boyle, our primary spokesman, followed by Nicholas Valkenberg of Geraty and Miller, our engineering consultant for the project. The meeting will then be opened for public comments and questions.

We anticipate the media will attend, and coverage may result. We are prepared for media coverage.
