Re: Nevada Power v. Monsanto, et al.

Dear Paul:

After reviewing the group of Plaintiff's Exhibits you sent us two weeks ago at my request, I found that we are still missing some of those documents. The numbers on the enclosed list identify the exhibits we have still not received.

Please send us copies of the missing Plaintiff's Exhibits as soon as possible. Since we do not have copies of documents with the bates numbers Nevada Power used to identify those exhibits, we cannot supply the missing exhibits from our files.

Thank you for your assistance with this matter.

Sincerely,

John H. Tatlock
