Subject: Re: Connecting you

Sorry, David Tudor! Sleep deprived over here.

Perhaps David and Brett can bring Ken up to speed on NSR and your need for consistent guidance?

In the meantime, I'll check in with HQ Policy Office. Feel free to send any materials demonstrating employment/economic impacts you might have our way.

I have also included David Tudor on the email chain. David...if you could detail the particular issue so that we may fully understand and set up a meaningful meeting within the next two weeks as we discussed. We are looking forward to bringing resolution to the issue!

Ed- the Administrator wanted to make sure you and David (CC'd) were able to connect today.

I'll follow up on our end from DC as well. So glad you made it out to the event!
