Hi Kyle,

I think the group should be no bigger than 25.

Thanks,

Dear Patrick:

How large of a group are your planning for for this event? WDEQ may have space depending on the size of the function. I do not know of my availability at that time. However, if I am unavailable, one of my staff will be able to attend.

Hi Todd,

The Wyoming Mining Association is offering to convene a smart sectors round table on Thursday, June 28 from 1:00 to 3:00 p.m. in Cheyenne. Please consider if a member of your staff should attend. Also, do you have meeting space available for meetings like this in Cheyenne? If so, who should I contact?

Thanks,

Patrick Davis
