Re: OPA Order 125 Under Maximum Price Regulation 188 Use of Boiled Oil in Exterior Paints

Gentlemen:

We are sending you herewith a report which indicates how our Exterior House Paint was made before our formula was changed and how it will be made after we change the formula.

This report is forwarded in line with the procedure outlined in the above order and we hereby ask your approval to make this change without changing our maximum price.

Your early attention will be appreciated.

Yours for Victory,

COOK & DUNN PAINT CORP.
