Aurelia,

I wanted to send you a note to thank you for coming to Idaho to attend our trail ride. It was a great pleasure to meet you and visit with you. I really enjoyed getting to know you. Beyond that, your presence on the ride and during the discussion benefitted the entire event and provided an important anchor to some of our key issues that we are looking to the new DOI leadership for direction on. We appreciate you offering your perspective and leadership on these important issues. I look forward to working with you in the future. Please don't hesitate to contact me if you have any questions or need information about the effect of Department of Interior actions/policies on the cattle industry.

I've attached some pictures from the ride. Thanks again for making the time to come to our great state!
