

1 occupation, number one, in order for the results to be
2 different, to change, most of those missed cases,
3 missing cases would have to be garage mechanics, and
4 there is no reason for that to be concentrated in only
5 one occupation.

6 Q Are you aware, and I think you are, of the
7 Langer and McCaughey case report on mesothelioma in a
8 brake repair worker?

9 A Yes. It is one of the case reports.

10 Q And are you aware that in August of 1975,
11 Ford received a letter from NIOSH indicating there
12 were four mesotheliomas in brake mechanic workers?

13 A I don't know that.

14 Q And I think you said just a little while ago
15 that your current opinion is -- excuse me, the
16 incidence in the general population of mesothelioma is
17 10 to 20 per million?

18 A That is based on the National Cancer
19 Institute data.

20 Q Do you recall testifying recently that, in
21 fact, the incidence in the general population was more
