

1 A Yes.

2 Q I think you mentioned five to eight Army
3 Ford trucks.

4 A Yeah.

5 Q How big were those?

6 A They were two and a half ton trucks. They
7 were single axle. They weren't front wheel drive.
8 Single axle that the Army used at places like Fort
9 Meade.

10 They never carried them overseas, but used
11 them in the states primarily.

12 Q Are these the kind of trucks we see in Army
13 movies, the big trucks with the canvas?

14 A With the canvas, that is right.

15 Q So the post office got those after the war?

16 A After the war, right.

17 Q Did they have a fair amount of miles on them
18 when they got them, or do you know?

19 A I don't know.

20 Q I think you also indicated that there were
21 some 1929, 1930, and 1931 Ford model As; is that
