Therefore, our Bills of Lading should read:

<u>QUANTITY</u>	<u>DESCRIPTION</u>	<u>WEIGHT</u>
	METHYL ETHYL KETONE Flammable Liquid No Labels Required	

"This is to certify that the above named articles are properly classified, described, packaged, marked and labelled, and are in proper condition for transportation by the Department of Transportation."

Signed _____

Although Bardstown is already showing "No Labels Required" and the certification, it is not sufficient data. We need to add the proper shipping name and proper classification. Suggest you consider a rubber stamp that would include all required information.
