Excellent—thanks, Samantha. Here's how Friday looks for us:

- 8:30-10 a.m. good for a conference call
- 11:30-1 p.m. good for an in-person meet or call
- 3 p.m.-on—good for a call

Let me know what works best for you and we'll make it happen.

Also, Jennifer Carpenter, our EVP & COO, connected with Sarah earlier, so if there's a need to loop her in, we'd be happy to have her join.

Talk to you soon—

Craig

Importance: High

Samantha, Brittany and Mandy—

Good morning to you all. My buddy Mike Catanzaro said that you were the all-star team working on reversing the Puget Sound no-discharge zone problem, and recommended that I contact you. As he probably told you, we've been working very hard on behalf of commercial vessel operators in the Seattle area to get this frozen or eradicated.

Could we find some time this week to touch base either over the phone or in-person. Our spring convention is next week and we'd like to update our members on the current

state of play. Happy to find a time that works best for your schedules.

We are very happy that Team Pruitt is on the job!
