Salisbury, N. C. 28144

Dear Mr. Ogburn:

Re: OSHA File 24,320  
Citation One, Item 1

Per your request we are enclosing an amended citation extending the abatement date on the above item to June 30, 1980.

This extension is being granted based on your efforts to abate the violation and your understanding that interim steps must be taken to protect your employees during the extended abatement period.

A progress report must be filed with this office on or before March 31, 1980, concerning the status of your abatement efforts.

Sincerely,

Ralph E. Dudley  
Acting Enforcement Director

Donald G. Wiseman  
OSHA Director
