ADDENDUM TO JOB SYSTEM NO. 339
Dept. B-246 - Account Code 2-03-810.96

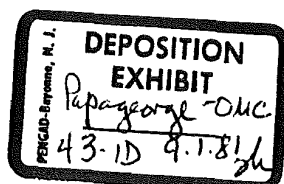

Effective December 1, 1961, Department B-246 will be designated for the manufacture of Pydraul A-200.

There will be no M&E assigned to this department. Equipment of Dept. A-246 will be used for the operation.

Note: This addendum will also cancel out addendum no. 77 11/15/38 which was set-up for the manufacture of Monochlorodiphenyl in Dept. B-246, but did not materialize.
