Good afternoon,

Looking forward to working with you to schedule this meeting between Chairman Westerman and Executive Director Shepherd.

Please send over availability as soon as you can, and we will find a time that works mutually. The Chairman is incredibly motivated to have this meeting, in-person, in DC this week. Thanks in advance for working with us.

Subject: Meeting Request - ED Shepherd - White Rock Mountain road repair

Good afternoon,

Chairman Westerman would like to request a meeting with Executive Director Shepherd at her earliest convenience this week. Jackson Conner, cc'd here, will provide the Chairman's availability.

The topic of the meeting will be White Rock Mountain road repairs, coordination between USFS and FHWA, and a general update on the status of repairs. You may recall the Chairman had various calls about this issue in August and September of last year.

Thanks in advance for helping us get this on the calendar this week –

Miles
