Ralph Alexander, M.D.
Medical Director
Pacific Telephone Company
140 New Montgomery Street
San Francisco, California 94105

Dear Ralph:

Enclosed with this letter are two studies completed by the Bell System Services Group at Bell Laboratories concerned with asbestos. Also, I am having my slides duplicated of Bell System lean work operations and will send you a set. Please let me know if this is sufficient information for your purposes.

I enjoyed the opportunity to meet with you in San Francisco last Friday.

Sincerely,

Roy
Roy Deitchman, Jr.
Industrial Hygienist
