L.L.P. MEMBERS, E. J.

SECRETARY: JAMES
[Signature]

To Members of the Metallic Lead Products Division:

I am happy to announce that in connection with the decision of this Division, made this summer, to enlarge its field force, we have been able again to retain the services of Robert A. Camp as our Western representative, to start October 1, 1950.

Mr. Camp was connected with the Association in this same capacity for four years prior to January 1, 1949 when it was decided to curtail the program. Since that time he has been employed in the Industrial Extension Service of Texas A. & M. College System as a Plumbing Apprentice Specialist.

Very truly yours,

Robert A. Camp
