OUR
NEW
HOME

ing nature your hands

is "new method" hand more than a mere skin (actually functions, through absorption, skin's surface, to aid Mother Nature's skin of ageing cells and tissue. Thus a skin to become firmer, smoother, get again. This is because... like the essential Endocrine Face Cream...
THE HAND LOTION brings you the actual, actual is Endocrine's estrogenic oratory counterpart of woman's own, kin-vitalizing substance. So this new kind of lotion can do for hand skin cream Face Cream is doing with such success for the throat and face skins. Is. Not sticky! Not oily!
Use in office, factory, time you wash, any time.
Costs only \$1.25 the (s tax)... 30 days' supply.
