Re: John Kruse vs. Brunswick, Balke-
Collander, et al. - IAC Case No.
61 LA 229-605.

Dear Mr. Tiernan:

In the above entitled matter we will represent Plant Rubber & Asbestos Works at the hearing now set for October 17, 1963 at Pomona, California. However, we do not believe that the hearing should proceed until applicant has served the defendants with a copy of the social security wage report as you undertook to do at the abortive hearing held on February 4, 1963 at Pomona.

We also understand that at that time you indicated that you had certain medical reports. We must insist that you comply with the provisions of Sections 10794 and 10795 of the Rules of Practice and Procedure of the Industrial Accident Commission and serve us with copies of all medical reports in your possession or under your
