Subject: JOHNS-MANVILLE CORPORATION
MANVILLE, NEW JERSEY
201/725-5000

Please refer to my memo of July 27, 1979 to D. A. Davis and E. A. Cavicchio's memo of August 6, 1979 to me.

Bill Hall of Johns-Manville is now anxious to have us give some serious thought to the manufacture of this special asbestos paper for caulking coke ovens.

Sent → Both Johns-Manville and GAF have signed a secrecy agreement. The formulation for this product will be sent to you as soon as it is received.

Enclosed please find the specification. When you have the necessary information would you please arrange to send a cost to me.

To run a trial Johns-Manville has offered to send us 6,000 lbs. of VAG 3Z fiber. They are currently buying this for \$890/ton from:
