THE WAY TO BEAUTIFUL HOMES

There's

color-

guesswork in house painting

Imagine this house painted light cream, trimmed with Carmel blue and its roof in silver gray. You can paint your house just as colorfully and harmoniously with the help of the B-H Exterior Color Harmony Selector which takes all the color guesswork out of painting.

The Selector shows shades of B-H brand Prepared Paint and Stucco Coatings arranged according to the laws of color harmony. It will help you solve any exterior color problem, and B-H paints will last

for years. Send our name and 10 cents to Bass-Hueter for this helpful Selector and its colorful companion booklet "Harmonious Exteriors". Then see us for your paints.
