

FORM D
HAZARDOUS WASTE MINIMIZATION
INSTRUCTIONS

Fill in your installation's Name and EPA I.D. Number in the upper left hand corner of the form.

- Section I - Provide a description of the efforts undertaken at your installation during the year to reduce the volume and toxicity of waste generated. If more space is required than has been provided, please attach additional sheets with your installation's EPA I.D. Number and Name in the upper left hand corner.
- Section II - Provide a description of the changes in volume and toxicity of waste actually achieved at your installation during the year in comparison to previous years to the extent such information is available for years prior to 1984. If more space is required than has been provided, please attach additional sheets with your installation's EPA I.D. Number and Name in the upper left hand corner.
