Subject: [REDACTED] FW: Reminder | FW: Survey - development of a report on the life cycle of fluoropolymers

Dear CCIM PFAS WG colleagues,

Kind reminder to fill in this short survey on fluoropolymers before tomorrow 17/10 COB.

Kind regards,

Subject: Reminder | FW: Survey - development of a report on the life cycle of fluoropolymers

Dear All,

This is a short reminder to please complete the survey by **Tuesday, 17 October**.

Many thanks for your cooperation and have a great weekend.

Kind regards,

From: [REDACTED], ENV/EHS [REDACTED] [\[REDACTED\]@oecd.org](mailto:[REDACTED]@oecd.org)

Subject: Survey - development of a report on the life cycle of fluoropolymers

Message on behalf of [REDACTED]

To: Members of the OECD/UNEP Global PFC Group

Dear colleagues,

The Global PFC Group currently has a work activity on improving the understanding of the life cycle of polymeric PFAS. It was decided to address polymeric PFAS in the context of their three main subgroups – sidechain fluorinated polymers; perfluoropolyethers; and fluoropolymers. A Synthesis Report on *Understanding Side-Chain Fluorinated Polymers and Their Life Cycle* has been published and a similar report is under development for perfluoropolyethers.

The challenge in developing a report on fluoropolymers is that they are a significantly more data rich subgroup of polymeric PFAS. We have then prepared a survey for you to provide feedback on the scope of that report. This survey aims to identify the priority needs for the Global PFC Group in understanding the life cycle of fluoropolymers, as well as to collect relevant information and information sources from the members of the Global PFC Group.

The survey can be found here:

<https://forms.office.com/Pages/ResponsePage.aspx?id=1MdBrGEfDUaw9PySWitHHO6ydIhBe1FOpMpEvxwbKlhUQzVDV0VYWEO4UVEwWkMOVTFJMUNHUDUxRy4u>. You are invited to complete the survey by the **17th of October**.

Many thanks in advance for your feedback,

Best wishes,

[REDACTED]-Ange
