

1 which brakes were called for?

2 A We would mostly try to stay with the
3 manufacturer's products -- the dealer's manufacturer.
4 You get a better fit, and you had a lot less problems
5 with them as you would an off brand type of brake
6 shoe.

7 Q When you were working on cars and taking
8 off old linings, the linings would be worn down?

9 A Sometimes, yes.

10 Q In fact, that is probably why they need new
11 brakes?

12 A Yes.

13 Q Okay. Let's talk about that for a minute,
14 sir.

15 Do you know what makes the lining wear
16 down?

17 A Friction between the brake lining and the
18 brake drum.

19 Q There is a lot of gravity and pushing and
20 pulling in there?

21 A Yes.
