SERVICES PROVIDED BY BORDEN TECHNICAL INFORMATION SERVICES

Document Delivery — books, patents, journal articles, and monographs via OCLC and private delivery systems. Rush and fax service available.

Translations — Quotations available upon request.

Reference Information — regulations, company addresses and information, statistics, geography, government and general information.

Computerized Literature and Patent Searching — using DIALOG Information Services.

Current Awareness — monthly computer updates of literature on a specific topic.

Current Awareness Bulletins — Table of Contents, monthly bulletins from journals held in GBRC Library.

Monograph Purchasing — books, NTIS and other government documents, Leatherhead Food R. A. documents, published company reports, ASTM and military standards, and trade publications.

Teltech Resource Network and FIND/SVP — available for selected Borden locations.

Charge Back Policy

As of April 1989, the Library must charge back document costs to your location. We charge a flat fee of \$10 per journal article or foreign patent and \$5 per U.S. patent. Purchased books, monographs and translations are fully transferred back. There is no charge for loaned books, videocassettes or for photocopies of documents held in our library. We abide by all copyright regulations.

For more information, contact:
Cara Burton, Information Specialist, at (315) 477-0218.

Notes:
