

GOLDIE GOLDSTEIN, an enthusiast of sports and youth, says he appreciates the many local people (and business) who contributed cash to uniform the Junior baseball team.

"Their deeds will help these youngsters," Goldie says. He had an afterthought

"Anyone who still wishes to contribute may do so," he afterthoughted.

DURING THURSDAY'S North-ein California Intercollegiate Golf Tournament quarter-final round, Eli Bariteau fired a 225-yard spoon shot from behind a tree to within six inches of the pin

His effort was reported "the day's best shot"

Off hand, we're inclined to agree.

THINGS ON the local sports scene were rather slow, numerically speaking last week

The previous weekend was literally saturated with athletic drippings There were baseball games, golf matches, tennis tournaments, track meets, swimming meets, rifle shooting matches and then more of the same

The major golf tourney, the Pebble Beach Women's, ended Sunday. The Third Annual Inter-scholastic Tennis Tournament closed Wednesday. And the four local schools took an academic and sports rest during Easter week.

So, up came the restive week-end Biggest item was opening of Monterey's home Mission League baseball season That happened at the local ball orchard Sunday Monterey defeated King City, 5-4 Ah, peace!

White Leads PCL Hitters

SAN FRANCISCO, April 19 (UP) Al (Fuzz) White, the steady outfielder of the surprising Sacramento Solons, sits on top of the Pacific Coast League batting averages with a mark of .453 for the first three weeks of play.

The averages, released yesterday, included games of Sunday, April 17

While White tops the hitting, big Luge Easter of San Diego continues to be the dominant slugger in the loop. Luscious Luke is second in hitting averages with .433, leads in runs-batted-in with 28, and is tied for the tops in home runs with team-mate Max West with seven each.

RELIEF and security for the RUPTURED

NON-SKID SPOT PAD TRUSSES

While trusses may be considered a necessary evil, that is no reason why you should be resigned to the wearing of a clumsy harness.

The Non-Skid Spot Pad Truss will hold your Hernia, just like your finger tips, with attraction of the pressure of ordinary trusses.

Hernia when treated in the early stages can often be cured, and the application of this scientifically constructed truss with the raised Spot Pad helps to hold the Hernia, thus assisting nature.

Our trained fitters will gladly demonstrate this new appliance, also the various types of Abdominal Supporter, Elastic Hosiery, Shoulder Braces, etc.
