Hi Aurelia,

Hope all is well in your world. It sounds like Skookumchuck has either just landed in DC or is about to land. I was wondering whether you had any time for a brief check-in to make sure we are clear on what next and what else may be needed (if anything). I also arrived in DC today (please ignore the late notice) and will be at DOI on Thursday for a meeting that starts at 8:30 and is slated for all day, but may not last that long. If you wanted to catch up in person and have time tomorrow or Thursday (likely afternoon), do let me know. Otherwise, feel free to call my cell (b)(6) or find me here.

Look forward to talking with you,
Brooke
