

1 A I am a member of the American Association
2 for the Advancement of Science, which is the
3 organization that deals with all branches of different
4 types of science.

5 I am a member of the Electron Microscope
6 Society, and the Environmental Information Association
7 which deals with environmental-type problems. There I
8 serve as an executive director with that group.

9 Also, American Society of Testing Materials,
10 which is a group that deals with a lot of people from
11 industry, laboratories, government, trying to come
12 together and form consensus standards on various
13 things, and I am a vice-chair for the asbestos group
14 in that organization.

15 Q Have you provided or given any presentations
16 to any professional groups on topics related to
17 asbestos and fiber release?

18 A Yes, I have. I am sure it is over 100
19 presentations at various places like the American
20 Industrial Hygiene Association. I have given some
21 professional development seminars there.
