Dear Bob:

Enclosed is Vista's contribution of \$8,000 for EOIC activities in 1987. This payment is late due to some confusion over the 1987 invoice.

Also, Vista has returned our 1988 commitment form for \$8,000 and will pay this amount when an invoice is received.

Sincerely,

Thomas G. Grumbles, C.I.H.

SUBJECT: ETHYLENE OXIDE INDUSTRY COUNCIL CONTRIBUTION

VISTA

Your approval is requested for Vista to make an \$8000 contribution for 1987 dues and another \$8000 contribution for 1988 dues for the Ethylene Oxide Industry Council. We budgeted a \$5000 contribution in 1987 but did not make payment as the council did not send an invoice or press the issue until the fiscal year was over. We again budgeted a \$5000 contribution in 1988 but later received notice that \$8000 was our appropriate contribution as a "nonproducer ethoxylator."

The Ethylene Oxide Industry Council is a program of the Chemical Manufacturers Association (CMA). Although we have not joined the CMA, we have been supporting programs in EO, EDC and methyl chloride since they are useful in promoting sound environmental regulations and performing product testing. Vista's environmental group administers the programs while the contributions come out of the business area budgets.
