

COMMITTEE OF ENQUIRY INTO POSSIBLE HEALTH
EFFECTS OF MANUFACTURE OF AGRICULTURAL CHEMICALS IN
NEW PLYMOUTH

3 September 1986

Carol van Strum
Alder Hill Farm
Route 2, PO Box 190
Tidewater, Oregon 97390
UNITED STATES OF AMERICA

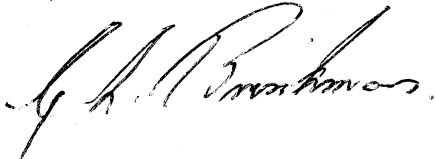

Dear Carol van Strum

I write to thank you for your comprehensive and thoughtful statement to the Committee on the possible health effects of 245-T. This obviously reflects substantial research.

The information you provided and your views have been of considerable interest to the Committee. We will be taking your statement fully into account in reaching our conclusions.

Thank you for taking the time to let us know of your thinking.

Yours sincerely
