

1 I left in the fall, I think, of 1973.

2 Q Where did you go to work?

3 A I accepted a position as Senior Research
4 Toxicologist for General Motors Research Corporation
5 in Warren, Michigan.

6 Q Okay. Did you ever return to academics?

7 A Yes, sir. I went and I accepted a position
8 as Associate Professor of Toxicology at the University
9 of Texas School of Public Health in Houston, Texas, in
10 1976.

11 Q And is that how you wound back up or you
12 wound up in Houston?

13 A Yes, sir.

14 Q Okay. Were you teaching in that job?

15 A Yes, sir. Teaching was about the same as it
16 had been at Ohio State, but there were more graduate
17 students rather than just physicians, although there
18 were physicians and other health physicians associated
19 with that training.

20 Q Okay. Did you eventually change jobs at the
21 University of Texas?
