Dr. R. A. Kehoe
Kettering Laboratory
University of Cincinnati College of Medicine
Eden and Bethesda Avenues
Cincinnati, Ohio 45219

Dear Dr. Kehoe,

I appreciate your taking the time to answer my letter.
Your comments and the copy of the 1960 Harben Lectures are
most useful to me.

I have no further questions at this time, but would
like to thank you for your help.

Sincerely yours,

(Miss) Nancy Stocker
