Thanks, Colin.

Thomas the best time for me would be the week of Nov. 13th (I'll be in London for various meetings from Nov. 7-11th). In a pinch, I could meet the morning of Nov. 6th as well (I fly to London that evening). Please let me know what times/days work for Deputy Assistant Secretary Skipwith; I look forward to the opportunity to meet.

All the best,
Sue

Subject: CITES

Good afternoon, Thomas:

During the meeting John Calvelli and I had with Deputy Assistant Secretary Skipwith, we talked some about the upcoming meeting of the CITES Standing Committee at the end of November. She expressed interest in further discussing CITES with our expert on the subject, Dr. Sue Lieberman, Vice President for International Conservation. It would also provide us with a good opportunity to get a full understanding of the US priorities for the meeting and to strategize about how best to work together.

I'm connecting Sue with you to try to schedule something next month when she is in DC.

Thanks!
