DEAR DR. KEHOE:

I KNOW THAT YOUR SCHEDULE IS A VERY BUSY ONE AND YOUR PRELIMINARY EVALUATION, GIVEN IN YOUR LETTER OF JANUARY 11, 1961, CERTAINLY SATISFIES ME THAT OUR COATING IS NOT PARTICULARLY HAZARDOUS; HOWEVER, OUR MINIATURE LAMP DEPARTMENT MANAGER IS PRESSING ME FOR A FINAL REPORT, INASMUCH AS MANUFACTURING ACTIVITY, RELATIVE TO THIS LAMP, MUST START IMMEDIATELY IN ORDER TO BE READY FOR THE CHRISTMAS TRADE.

VERY TRULY YOURS,

I. MATELSKY
