Use Mar-Not on stairways and on the floors of living room, dining room, bedroom, bath or kitchen.

Mar-Not is made especially for use on stairways and on the floors of every room in the house. It has pig-skin toughness to resist continuous grind. You may dent the wood but Mar-Not will still cling to its surface. Dries overnight with a rich, long wearing luster. Hot or cold water does not affect it. And it costs no more than any ordinary varnish.

Don't wait until floors, woodwork or furniture appear shabby before you varnish them. For best results do the minute they begin to show wear—and use the S-W varnish recommended for the purpose. At "Paint Headquarters" in your neighborhood you can obtain the famous S-W Household Painting Guide which tells the right paint for every surface. Avoid mistakes by getting your copy now. **THE SHERWIN-WILLIAM CO., 466 Second St., KE army 1566** General Offices and Plant, Oakland, OL ympic 2700. Wholesale Only.
