cc C. Jordan-B2NG
G. Graf-B2NG
G. Kieffer-B2NG
C. Paton
H. N. Brandstetter-B2SA

Below are listed the names of companies who have discontinued using askarel in the manufacture of transformers, and under Monsanto sales policy, are no longer able to purchase product from us.

Dings Company
Division of Wehr
Milwaukee, Wisconsin

Effective 9/20/76

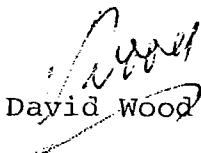

Hevi-Duty Electric Company
Div. of Sola Basic Industries, Inc.
Goldsboro, North Carolina

Effective 8/31/76

Electro Engineering Works
San Leandro, California

Effective 10/25/76

Also, McGraw Edison ceased offering Aroclor capacitors on November 1, 1976, and should be deleted from our customer list.
