REMOVED IN PRIVILEGE REVIEW

ORIGINAL B-LEVEL BOX NO. _____

PRODUCTION BOX NO. Ann 21

FILE NO. 4

FILE NAME Ann Allen Wm + Parkinson

6-16-82

Fiber Use Sources

1. Susan's chart from Blechar's computer info shows for 76-82 fiber use at Denison by Company: fiber type, in tons (second set of charts break it out by month)

2. Gary's charts from purchase orders, etc. showing purchases for 74-79 showing type by company, in tons.

3. Worksheet from Blend Books (Batch Books) showing use by company (more companies) by year: tonnage for 60-61 and 64-80

4. Barbara's charts - only record sales to Denison for 75 and 77, all from Central Ass c/o Special Assets, N.A. Acb. and Cape

Questions Re. Fiber Records

1. Shall I take just one book of the computer records, or all of them?

2. What about Mike's belief that the blend books are proprietary?

3. Are you going to briefly review everything we're sending down for it's counsel to see?

4. I have received a few records indicating the purchase of asbestos tape from Amatex Corp. Shall we take these along to show also?

PRIVILEGED
J-M 83

* List avenues, sources, etc. used in reconstruction (records, interviews, etc.)

(1.) FIBER PURCHASES by Supplier -or- as documented (fiber grade) but Supplier Unidentifiable

(2.) Source of Information re. documentation of Purchase of fiber

3.) Amount of fiber (if readily accessable - ~~indicate~~ sources to be searched if accurate amount required)

(4.) Dates (fiber in use / fiber in storage)
