

1 listing of mesotheliomas and where they occurred in
2 populations?

3 A That is exactly correct.

4 Q Okay. You then went on to show the jury
5 some slides and some photo slides that were taken on
6 the slides.

7 The slides that you put up on the overhead,
8 and you had circled in ink those portions of the
9 slides that I think were tumor, when did you get those
10 slides, approximately?

11 Can you give us a year?

12 A I think it was roughly 1991.

13 Q Okay.

14 A My letter will indicate, because it was
15 written more or less contemporaneously with my review
16 of them.

17 Q Okay. Now, I am not trying to trick you or
18 hold you to a year on that, but is it your
19 recollection that you got those slides more than a
20 year ago?

21 A If memory serves at all, it seems like it
