A I would cook for 18 or sometimes less people, having big dinners. I liked that, having families around. Every Thanksgiving, Christmas, things like that.

Q Did your husband have any hobbies?

A Did he have any --

Q Any hobbies?

A Oh, yes. He liked baseball, football. Sports. He loved those.

Q What type of sports did he love?

A Baseball, football, basketball, fishing.

Q And would you attend those sports activities with him?

A Oh, all the time. I would be right there. Except the fishing, I would go, but I would sit in the chair. I didn't like worms.

Q Did you and your husband enjoy music?

A Oh, yes, we liked music.

Q Tell us some things you recall about that.

A We listened to tapes and go to dances. I loved that.
